

ARMY AND NAVY BEAT YANKEES THIS SEASON

Huggins Makes Real Contenders But Shipyard Land Solar Plexus.

YANK CHIEFTAIN WILL NOT RETIRE

NEW YORK, Aug. 31.—Although the Yankees will be fortunate to finish in the first division of the American league, Miller Huggins' efforts to rehabilitate the club stand forth as the brightest achievement of an otherwise lack luster record.

That the Yankees matched any other club in the league before the team was wrecked by player losses due to the war, none can deny. For the first time in the history of the club it performed with something akin to the essential organization and spirit.

Which was due entirely to Miller Huggins. He converted the New York club from the most helpless sort of a second division proposition into a robust contender, and had been able to keep his array intact throughout the campaign. He would probably have brought the pennant to New York for the first time in the history of the American league.

Huggins has proven his ability as a manager beyond question. If, indeed, there ever was any doubt about it. He is a manager at hand, and before the war he was the star of the league. The Yankees always managed to get the best from all of his players. The Yankees under Huggins never betrayed a tendency to loaf. He kept the club on its collective toes and surmounted it with a spirit of combative aggressiveness few Yankees teams of the past have possessed. When the curtain descends upon baseball the pastime will be mostly sucked away in euphoria for the duration of the war, but when the sport is resumed and the Yankees take the field again to battle for the pennant, Huggins will be in command.

The able direction of the Yankees does not intend to retire. He probably will devote himself to war work of some sort in the meantime, but he will be sure to come back to New York to bring the pennant to New York.

Mallory Hats
Designed for American Gentlemen

It is far better economy to pay the right price for a hat you know something about than to pay a before-the-war price for a hat you know nothing about. In one case, the quality is there; in the other, it can't be.

Mallory Hats

Therefore, we suggest MALLORY HATS. We know all about MALLORY HATS, and we're certain they're good hats.

We like to tell them because we know we're selling our customers long wear and full value.

**HOODOOSITS ON
TRAIL OF DOYLE**

Leaves Pennant Winner; Breaks Leg; Losing Batting Record by Illness.

New York, Aug. 31.—There's a full grown hoodoo camping close on the trail of Larry Doyle.

Since Larry was sent to the Cubs by manager McGraw in the deal that brought Heinie Zimmerman to the Giants, Larry has been out of luck.

About the first thing Larry did after he became a member of the Chicago club was break a leg. This accident kept him out of the game for the rest of the season, and he came back in 1917 none too sure of himself in the field, and none too strong at the bat.

Everybody was satisfied that Doyle had seen his best days; that he was slated for the discard. But in January of this year the Cubs and Braves pulled off a trade which sent Doyle to Boston with Art Wilson. The Cubs got Lefty Tyler in return.

Before the present season opened McGraw engineered a deal with George Stallings which rid the Giants of Buck Herzog and brought the once famous and ever popular Doyle back to the Polo grounds.

But the Ole Jinx showed up again in May and Doyle was forced to go to a hospital for an operation which cut short a comeback streak of batting .300. In making this time Doyle was in the lead of National league sluggers.

Today Doyle's teammates of a year ago—the Chicago Cubs—are preparing to give the world's series main, and Doyle—well, Doyle is just out of luck.

Des Moines, Aug. 31.—Four world automobile racing records for a half mile dirt track were broken at the Iowa state fair yesterday. Ed Ellingboe drove a half mile in 21.80, 28.00 of a second faster than the former record, but his mark stood only a few minutes, as John Haughdahl turned the lap in 21.40.

Ray Lampkin set a new mark of 2:09.60 for two miles, but Ellingboe immediately broke the record again with 2:08. The old record was 2:14.90. In making this time he drove the first mile in 1:03.80, lowering the world's record 45-100 of a second.

Ellingboe covered the distance in 1:13.80, another record. The old mark was 1:14.50.

THE WAY OF A MAN
AND A LAWYER.

**COMISH' BARS
MIXED MATCHES**

Commissioner Threatens to Revoke License When Negro Boxes White.

New York, Aug. 31.—Despite the fact that the New Jersey athletic commission, which has charge of boxing affairs in the state, has announced that it will not allow mixed matches, the board still said to be strongly opposed to such contests. It is doubtful if hosts between white pugilists and negro will take place in the future.

The issue recently was brought to a focus when commissioner Wilfred Cann, who is physical director of the Elizabeth Y. M. C. A., threatened to have the license of a club in west Hoboken revoked for staging a bout between two negroes.

This decision of the club received a note from Cann the night of the bout, informing them that if they went through with the match they would have their license suspended. As it was too late for the club to put on a substitute bout, Johnson and Lyons boxed and now the organization has placed itself at the mercy of the commission.

It is understood that while commissioner Smith is inclined to be lenient toward negro boxers, commissioner Cann is strongly against mixed bouts. He does not tolerate them under any circumstances, not even in the preliminary matches.

Both sides of the question have many supporters in New Jersey and it is likely to be brought to an issue soon.

**TENNIS GIANTS
TO SEMI-FINALS**

"Meteor" Murray and Tilden Lead; Jap Star Kumagata Downs Wright.

Forest Hills, N. Y., Aug. 31.—R. Lindley Murray, "the California meteor," playing from Niagara Falls and T. W. Tilden, Jr., of Philadelphia, won their way into the semi final round of the 57th annual tennis singles championship.

Murray defeated K. W. Niles, of Boston, 7-5, 6-4, 6-2, 7-5. Tilden, of Philadelphia, won the match with Walter Merrill Hall, of New York, which was interrupted yesterday with the score two sets to one and an odd game in the New Yorker's favor. The Philadelphia quickly swept away Hall's lead and won the fourth and fifth sets; the complete score being 6-4, 6-1, 6-7, 6-5, 6-4.

The only other matches of the day brought about a defeat of Beale C. Wright in the last play of the fifth round. The veteran internationalist went down before the Japanese star Ichiji Kumagata, 6-10, 4-3, 2-6, 6-3, 6-2.

about will tell whether Gundy is a natural born fighter or not. That is the big interest attached to the bout. If he is the natural born boxer that the army men insist that he is, he will not permit Nelson to use the same old stuff with the same ease; he will not jump the Gundy in useless motions; he will not wear himself out hitting nothing; he will not look away at somebody at the ring and then knock him out cold.

Learned something by Nick has about and puts it into effect, he is the "natural born fighter" they talk about at the back and he will win. If not—well, Nelson will attend to that.

Wendell Signs Up Bunch Of Giants

Lew Wendell, the former New York high school boy who was with the Giants for a spell, is manager of the ball team representing Kearney, N. J., and he has signed up a bunch of Giants of the National league breaks up. The following players have agreed to accept Wendell's offer to play for the Kearney plant: Arthur Fleischer, Larry Dove, Oscar Burns, Ray Young, Jay Quirk, Pete Campton, Joe Wilbitt, Cliff Crusey, ever put on a suit outside of the Kearney also was listed among the bunch which intended to go to Kearney, but recently got a better offer from Duluth.

GIRL 'PHENOM' IS ASTOUNDING TENNIS WORLD

Fifteen Years Old Miss From Mound City Plays Perplexing Game.

PLANS TO MEET EASTERN STARS

THE west has produced the makings of another "phenom" on the lawn tennis courts, and this time it is a girl, Miss Corrine Gould, who hails from St. Louis. A couple of days ago she won the Missouri state championship at Kansas City, and went through the tournament, which lasted the week and a half, with a steady set, and in the final disposed of Miss Evelyn Seavey, a player of high ranking, with the score of 6-2, 6-1.

On her way to the final bout she met the newcomer met all sorts of dashing, smashing players, but this youngster—for the Mound City wonder is only 15—went through all of them in the most marvelous fashion.

What is still more astonishing about Miss Gould is that she is rather small for her years and weighs only 92 pounds. A modest creature, she acted as wild as only a 15-year-old, but with the most puzzling sort of style in her play.

Puzzling Style.
She is spoken of as having no service to speak of, but met every drive with a slow, dribbling chop stroke which called the ball to fall dead when it broke on the opposite court. Her judgment in not shaving and dropping low bounding shots to the side and base lines was unusual, and in every case where judging distance was called for she proved to be a veritable witch for correctness.

A trip to the east is already spoken of for Miss Gould.
